MEMORIES OF WAR

A complete evening's entertainment of words and music about the two World Wars

We will collaborate with venues across the UK to stage this show, which has previously appeared at Chartwell and Highclere Castle (Downton Abbey) among many other venues

WORLD WAR 1 – NO WAY BACK

A drama documentary about the Voluntary Aid Detachment, which was peopled by shire girls and vicars' daughters who couldn't even boil an egg, but who saw dressing up as a voluntary nurse a rather jolly jape, little realising the hell they would walk into

WORLD WAR 2 – THROUGH A GLASS DARKLY

Memories of people who were children in WW2, re-enacted and interspersed with songs from the period, evoking the voices of Anne Shelton, Vera Lynn, Bud Flanagan, Noel Coward, Gracie Fields, Arthur Askey and others.
